Memorandum for: Director of Training

Subject: Request from Cong. Ralph W. Gwinn

The attached letter to the Director dated 27 August from Congressman Ralph W. Gwinn is self-explanatory. It is requested that you prepare appropriate information from which I can draft a reply for the Director. The reply should be unclassified and therefore it may not be possible to answer all of the questions involved or give full details. You will recall that we have prepared replies for Mr. Quattlebaum and this subcommittee previously.
